A unique concept from Suisscortage - private insurance, with a portfolio designed exclusively for you, and the privilege of your own personal insurance ambassador to manage your requirements.

MONACO CANNES ANTIBES

BESPOKE INSURANCE

Suisscortage, the leading insurance broker on the French Riviera, has recently added a new brand to its portfolio - OnlyOne Exclusive Insurance. Created to serve the Group's global VIP clientèle, this unique concept provides for the protection of your most valuable assets and luxury items, a service requiring not only specialist knowledge, but an appreciation of the intrinsic value of these possessions to you.

With a clear understanding of your individual requirements, OnlyOne is the first broker to offer you private, made to measure insurance. Our offices in Monaco, Luxembourg and London enable us to source the most competitive and appropriate solutions for you from the European insurance market, and we take pride in our ability to design exclusively for you a portfolio of Welco products which would otherwise not be available on the international market.

THE PERSONAL SERVICE

OnlyOne is the first broker to offer private insurance, and is unique in assigning you the privilege of your own personal insurance broker who will create a portfolio of Welco products exclusive to you. This highly experienced specialist will be in charge of every aspect of your insurance requirements, liaising directly with you, advising and guiding you, constantly reviewing the international insurance market, and recommending the combination of products that best suits your needs. Your advisor will act as your ambassador, travelling to whichever part of the world is necessary to secure the most effective solutions for you, negotiating company-specific products on your behalf, and sourcing the most competitive and attractive options available.

ESTATE & FINE ART
INSURANCE

With an international lifestyle, you need insurance cover to match. In addition to your yacht, you possibly have residences in more than one part of the world, and will therefore need an individual solution for each of your properties. To meet this requirement, we offer you Welco Estate & Fine Art Insurance, an exclusive Suisscortage product to provide specialist cover not only for your estates, but also for your antiques, paintings and fine art, as well as jewellery and furs. Insuring art requires specialist knowledge, and our wealth of experience in this field has enabled us to design solutions which address the specific needs of the collector, with personal valuations by specialists in your own home, anywhere in the world.

As a mark of commitment to exclusivity, our team of insurance specialists in Monaco will design specifically for you a solution negotiated directly with Lloyds of London, and unavailable anywhere else in the world. Not only does this give you the assurance that your particular requirements will be met to the last detail, but also that your contract will be managed solely by your personal OnlyOne ambassador - your direct link to the insurer.

PRIVILEGES JUST FOR YOU...

SUISSCOURTAGE

Suisscortage was founded in Monaco in 1988, the result of the Pastor Group's diversification into insurance. It was initially established to service the insurance requirements of the occupants of the buildings belonging to the Group, also the construction and renovation of its apartments and commercial properties within the Principality. Having extended its activities to Cannes, Menton and Nice, Suisscortage is now the leading brokerage on the French Riviera.

The increase in demand for bespoke insurance services for luxury yachts and private jets was the catalyst for our establishing an international presence in London and Luxembourg, and the introduction of the brands OnlyYacht and OnlyJet. To enable us to take advantage of the most competitive and appropriate solutions for all members of our VIP clientèle, we have subsequently created OnlyOne Exclusive Insurance and OnlyClub, creating a portfolio of services designed to fulfil the fundamental values shared by all in Suisscortage: to advise, to negotiate, to accompany, and to have the will to be the best.

ONLYCLUB

Our personalised service has been enhanced with the introduction of The OnlyClub, a new addition to the Suisscortage portfolio, giving a range of exclusive benefits and advantages to the cardholder on the Côte d'Azur.

As a member, you will be able to attend various private functions and facilities. Treat yourself at exclusive restaurants, spend an evening at the ballet or practise your swing on the golf course, either as our guest, or at a special members' rate.
